

Vivekanand Degree College, Sikar

Mandatory Electives through SWAYAM (MOOCs Platform)

In accordance with the directives of the **All India Council for Technical Education (AICTE)** and the guidelines of the **National Education Policy (NEP) 2020**, **Vivekanand Degree College, Sikar** has implemented a policy requiring students to complete certain **elective courses mandatorily through the SWAYAM (Study Webs of Active Learning for Young Aspiring Minds) platform**. SWAYAM, the national MOOCs initiative, offers high-quality, online courses across diverse disciplines, enabling students to acquire additional knowledge, interdisciplinary skills, and digital literacy.

Under this initiative, students are required to select and complete approved **SWAYAM elective courses** as part of their curriculum. These electives are mapped to the academic program and are credited upon successful completion, contributing to the overall grade and learning outcomes of the student. Faculty members guide students in identifying relevant SWAYAM courses that align with their academic interests and career aspirations.
